

## **Certified Remodeling Project Manager (CRPM)**

NARI Certified Remodeling Project Managers (CRPM) are recognized as competent remodeling professionals, well-versed in the operational and business aspects of remodeling projects toward timely completion and increased profitability.

The CRPM program addresses the fundamentals of remodeling project management:

- \* Project planning
- \* Project cost management
- \* Risk management
- \* Personnel management
- \* Quality assurance
- \* Record keeping
- \* Communication and client satisfaction
